Continuation of Substance of Interview including description of the general nature of what was discussed:

I informed Andrew Morton that after reviewing the case, most of the subject matter indicated as allowable in the previous Office Action, was being taught by the prior art. I informed Andrew Morton, that the case was complicated because some of the terminology in the claims, did not necessarily disclosed distinct elements, such as the retainer and the frame.

Andrew Morton suggested faxing some proposed changes.

On 05/27/2005, after reviewing the proposed changes, I suggested minor changes to clarify the retainer mount to the top of the post.

Andrew Morton agreed with the changes set forth in the Examiner's Amendment .
